Free-Motion Quilting Workshop Supply Sheet and Preparation

It is important to come to class prepared and ready to go. We have a lot of information to cover and steps to go through.

Bring to class with you:

- 6 small quilt sandwiches. Layer together 6 small quilt sandwiches approximately the size of a fat quarter. Use solid fabrics or muslin. This will make it easier to see your stitching.
- Use a size 90 Quilting needle with one spool of white thread and one spool of black thread. Use machine quilting thread.
- Thread snips
- Blue water erase marking pen
- Quilting Gloves
- Sewing machine in good working order

Bring your power cord and foot peddle

Attach your darning foot and drop your feed dogs.

Wind 2-3 bobbins, use the black thread.

This class is focused on skill building. We will practice an assortment of free-motion quilting, I will also cover how to layer and prepare your quilts for quilting. We will also cover how to adjust your tension.

Please email me with any questions.

Thank you, Heidi
