FLYING GESE QUILTERS GUILD

## President's Message

By Trudy Cleveland

Earlier this week I was curious as to what the correct term for a group of geese was.

I turned to my trusted search engine, Google, to get the correct terminology. Of course, Google suggested an article: **"5 Things Geese Can Teach You About Teamwork"** where I might find my answer. I learned that scientists have discovered five behaviors that help geese be more efficient and effective team members. The first behavior listed was: **Geese Fly Further Together...** because, while geese fly in the "V" formation each bird, as it flaps its wings, is creating lift for their fellow birds, allowing them to fly further with less effort.

Our July meeting was a perfect example of this phenomenon, members teaching other members a skill that will enhance everyone's quilting process. I found it interesting that we were mirroring geese behavior, by working together and teaching each other. We will all fly further together...just like the geese have shown us. Join me as we continue throughout the year to support each other in "geese-like" fashion.

August is shaping up to include another fantastic speaker and workshop while we welcome Krista Moser as she educates us on the 60-degree diamond pattern.

And by the way...a group of geese can be called a flock...or a gaggle... either is acceptable.

Join us at the Stonefire Grill at 4:30pm before the Guild meeting, to meet our speaker, be with other guild members, and relax before the meeting.

## August 12th, 2024 - Program

### Krista Moser of The Quilted Life Presents **Diamonds Are a Girl's Best Friend**

Krista is the creative force and inspiration behind The Quilted Life. She is the designer of the 60-Degree Diamond Rulers for Creative Grids, and has published dozens of patterns using the rulers, with more in development all the time. Krista loves symmetry, clean lines, and bold colors. She thinks that shapes that tessellate in all directions are a playground for design.

A quilting and fiber arts enthusiast, Krista began sewing at 8 years old. Through her presentation, *Diamonds Are a Girl's Best Friend*, Krista will share the story of how she began her professional sewing and quilting career at the spunky age of fourteen. All of Krista's patterns, kits, rulers, and tutorials may be found at her website [kristamoser.com](http://kristamoser.com).

### **Sandra Mollon**, Textile Artist, Instructor, Author, Designer **Adapting an Image for an Art Quilt**

Sandra is a California based textile artist. With a long love of textiles, she spent many years working in traditional hand appliqué. Her recent work includes art quilts which are photo based.

Stemming from a lifelong interest in photography, and as she saw amazing art quilts derived from photographs, moving into raw-edge collage art quilts became for her a way to combine those interests and create work that has a photorealistic quality. That work has brought a new audience into the textile art world. This lecture describes the process of adapting your photos in preparation of creating a collage with examples. Sandra will bring quilts to show and offer us a unique perspective on how we can grow as quilters.

### **Vendor Night – Back by Popular Demand**

Come prepared to purchase Holiday projects and gifts for those on the Nice List, as well as yourself!

We are so fortunate to have wonderful shops in our area that support our Guild. The October Program will be an evening where we will be able to support those who support us, while we enjoy an opportunity to get to know their shops better and begin shopping for those holiday projects we've all been planning.

**The October Program will feature an evening of Pop-Up Shops** presented by three of our favorite sponsors. We will be joined by

# Coming Attractions — Program Updates Continued

**Sewing101** was founded in late 2018 when I found a void where my passions intersected: sewing, teaching, and helping others. I am a life-long sewist who turned my hobby into a career by teaching in classrooms, as the Quilting Manager at Sizzix, a division of Ellison Educational Equipment, and as National Sales Manager at Hoffman California Fabrics. I have studied the sewing and consumer sciences industry from both sides and saw a need to help.

Born from seeing a generation who never learned to sew, this fun and vital skill seemed to have a generational gap. These are the people who would sadly toss out perfectly good garments when they only needed a simple repair. My combined experience has given me the ability to create patterns and kits to educate students on the skill of sewing which meets current National Standards.

All of our kits are thoughtfully crafted to educate students on the basics of sewing while empowering them with life skills. I hope you find kits that meet your Family and Career Sciences classroom, Maker Space, Girl Scouts, 4-H, or your home sewing room. Thank you for visiting **Sewing101**.

Happy Sewing, Linda Nitzen

Welcome to **Quilt Passions Quilt and Needlework Shop**, your destination for Hawaiian themed quilts, patterns, and books. We carry high quality fabrics, specializing in batik prints and vibrant tropical fabrics. Because our Hawaiian quilt patterns are created by local designers, they capture the culture and history of the islands. For those who don't sew, we feature an impressive collection of ready-made Hawaiian and Island style quilts available for purchase.

# Coming Attractions — Program Updates Continued

Modern domestic fabrics, Japanese fabrics, patterns, and many more. Anything modern and beautiful is what we love. Cecile Choi, owner of **Sewing Party**, instructs classes and seminars, designs patterns, attends shows, and has gradually developed her reputation as one of the modern quilting inspirators in Southern California.

**Sewing Party** started as a brick-and-mortar store in Laguna Hills, California. Featuring many classes and local events, we were able to stay close with our local customers and friends for many years. Then each time we attended out-of-state shows was when we truly felt the need for a capable online store to be able to build our relationship with our supporters from out-of-state and overseas.

Now exclusively online, we focus on our online store and dedicate our existing studio for coming up with new design ideas and featuring classes and friendship gatherings.

With our unique inventory and ideas, our aim is to share what we love and make our shop an inspirational lounge for modern quilters.

# Coming Attractions — Workshop Updates

In August, we welcome **Krista Moser** who will be teaching two different workshops— “Fall Foliage” and “Vintage Windmill.” Both patterns require the Creative Grids 60-degree Diamond Mini Ruler which Krista designed and uses in her patterns. Both patterns incorporate hexagon blocks which are designed so as not to have any “Y” seams.

The “Fall Foliage” workshop will be held on Sunday, August 11, 2024, at Orange Quilt Bee, 628 E. Kattella Ave., Orange, CA 92867 from 10am to 4pm. Kits are available in Purple Gelato or Moss Green ombre backgrounds.

The “Vintage Windmill” workshop will be held on Monday, August 12, 2024, at University United Methodist Church, 18422 Culver Dr., Irvine CA 92612 from 10am to 4pm. Kits are available in Victory Garden, Brave (Patriotic), or Christmas prints.

Both workshops cost \$40 each. Requirements are the Creative Grids Mini 60-degree diamond ruler and the desired pattern. The ruler, pattern and kits are available from Krista’s website. For “Fall Foliage,” use code FF-FQ. For the “Vintage Windmill,” use code VM-FG.

**The “Fall Foliage” workshop is sold out**, but you can sign up on the wait list.

**There are still a few spots available in the “Vintage Windmill” class.** You can sign up by contacting Gail Larderuccio (see the directory for contact information).

# Coming Attractions — Workshop Updates Continued

**Sunday, September 8, 2024** – Workshop Harvest Pumpkin Collage—Sandra Mollon

Sunday, September 8th, 2024, we present **Sandra Mollon** who will be teaching her “Pumpkin Collage” pattern. If you have ever wanted to try your hand at collage, this is a wonderful opportunity! Participants will learn simple techniques for crafting fused art quilts, including a brief introduction to various artistic media such as color pencils and markers. Students will create their art quilts using Sandra’s pattern as a foundation for their artistic journey.

This workshop will be held at Orange Quilt Bee, 628 E. Katella Ave., in Orange, CA from 10am to 4pm.

The price for the workshop is \$40 which includes Sandra’s pattern. The kit is optional and costs \$35. Please indicate if you would like a kit. We will order it from the teacher for you. **This workshop is sold out**, but you can sign up on the wait list.

**In November**, we are happy to have **Sujatah Shah** who will teach her improvisational spin on the traditional Pinwheel quilt block to create her unique “Improv Sunburst” block. Sujatah was inspired by American Fold Art quilts.

This class is designed to focus on cutting multiple curves through layers of fabrics and then sewing the pieces back together.

Sujatah’s design philosophy celebrates an ever-evolving process, finding excitement in the creative journey’s unpredictability.

This workshop takes place on Sunday, November 10, 2024, at Orange Quilt Bee, 628 E. Katella Ave. in Orange, CA, from 10AM to 4PM. The cost is \$40,

Sign-ups for Sujatah’s workshop begin at the guild meeting on Monday, August 12, 2024.

# Flying Geese Auction

## Quilted Treasures Auction Almost Here!

**Saturday, September 28**, is rapidly approaching and we are getting ready for this fun guild auction! Please plan to take part in this important event that supports our outstanding guild programs and activities for the coming year. This is an excellent opportunity, whether you are a new or longtime member, to enjoy an afternoon of socializing, viewing beautiful, donated quilts, eating delicious desserts (yum!) and competitive bidding for wonderful quilts and baskets. It is also an opportunity to invite a friend who is puzzled by your quilting obsession for only \$5!

### Quilts

We only need five more quilts for the live auction. Are you or your friendship group working on something that you would be willing to donate? So far, we do not have any masculine or Fall quilts so take a look at your UFOs. Deadline for these quilts is August 31, 2024. Thank you to all of you who have donated quilts for the Live Auction.

### Baskets

Baskets started for the Silent Auction include Wool, Reproduction, Kaffe, Asian, Tula Pink, Halloween, Christmas, Modern, Laundry Basket, and Floral/Autumn. If you have any pieces of fabric or new books/patterns to donate for any of these baskets, please bring it to the August meeting. Many thanks to those of you who have already donated items for the Silent Auction.

### Recruiting

Recruiting is going well, though we still need a few more volunteers. Bagging is a great job which takes place at the end of the auction and is easy to do. Just fold up the quilt and put it in the bag provided. We also need three more people to help move quilts to the live auction from the viewing area. And one more person to help our Auctioneer, Elaine Pappas-Pucket, spot the bidders. Our goal is to have everyone able to participate in the auction as well as volunteer.

### Let's Spread the Word!

Finally, please continue to distribute the auction postcards among your friends and communities. If you need more, please contact Michelle Howe. Let's spread the word!

### Lot's of FUN!

Yes, there will be lots of fun at the Quilt Auction & Dessert! Save Saturday, September 28 and join in the fun at the Clifton C. Miller Community Center in Tustin from 1:00 to 4:00 p.m. Invite a friend!

Hello fellow quilters!

**Introducing 143quilts LLC** providing Long Arm Quilting services for your treasured quilts.

My name is **Tom Stevens**, and I am a fellow member of the FGQG. A few of you asked why the name 143Quilts? As a child, my mother knew her kids may have a hard time expressing their affection in public, so she came up with a code “1-4-3” which stands for “I Love You”. In memory of her, I name my business 143Quilts.

As a fellow quilter, I understand the time and effort you spend creating your quilt top. You can trust me to take great care in providing quality workmanship:

- **Fast Turn Around** for edge 2 edge quilting designs. Don't be surprised with less than 2 day turn around.
- **Large number of design choices** with over 600+ designs to choose from.
- **Affordable Edge 2 Edge** starting at just \$0.024 per square inch.
- **Computerized Custom Quilting** to realize your inspired design.
- **Machine Binding Services** are available to complete the polished look.
- **Custom Embroidered Labels** to memorialize information about your quilt.

Not familiar with using a long arm quilter? No worries, I am here to help. I will walk you through each step from preparing the quilt top for the Long Arm to choosing the design and thread.

If you are looking for a Long Arm quilter, I hope you consider 143quilts. As an incentive I would like to offer **OCFGQG members 10% off your first quilt!**

# 2025 Opportunity Quilt & Show

*By Sue Glass*

## August 2025 Quilt show and Opportunity Quilt News

### Opportunity Quilt

Our lovely opportunity quilt is at the quilter, and we are targeting our September 28 auction for the big reveal. Additionally, the tickets have been ordered and received (thanks Michelle Howe) so we will have tickets to sell at the auction as well. Distribution to our members will begin with the November 2024 guild meeting. In the meantime, we need help with the quilt and tickets.

### Quilt Show—Need Help!

We need someone to step up and take responsibility for finding places to show the quilt and sell tickets. This person will be responsible for moving the quilt around until the show on October 11, 2025. Two people or even three could take on this job to make it easier. Those who are taking the quilt around will get to visit other guilds, see new speakers, and show our lovely quilt to the masses. It is really a fun job! We will furnish a quilt stand to hang the quilt on, plenty of tickets to sell, and change to be used as needed. This is usually a cash or check only operation.

Secondly, we need someone to step up and be the quilt ticket manager. This person will be furnished a prepared packet of tickets for each guild member and a checklist to keep track of who took their tickets, which tickets they took, and plenty of additional tickets for any visitors to our meetings. They will also take the proceeds of any sales at other guilds (when we show the quilt) from the person who took the quilt out and pass the proceeds along to the treasurer for deposit. This person will work with the quilt manager to set up and staff the quilt display at the quilt show on Oct 11, 2025.

### We need you!!

Please contact me or our president, Trudy Cleveland, to volunteer for these positions.

For general show activity, let's focus on this year's September 28 auction, and give Kathy Keefer the help she will need, and then we can turn our attention to our quilt show. Our committee meetings will begin later this Fall, so watch for the call for volunteers in later newsletters and at guild. In the meantime, I hope you are thinking about your show entry, auction quilt, etc. I know we will have a wonderful show!

Thanks so much!  
Sue Glass

## Show and Tell

Michelle Howe made Kids World of Fun while participating in a Block of the Month held by Susan Claire from New Zealand but using Michelle's fabric choices.

Bretta Gunther's king-sized quilt, Blue Star, was made for herself.

Bretta Gunther's Plumeria quilt was started in Joanna Figueroa's workshop by the same name. She finished it at home.

# Show and Tell

Four Seasons Still Life was made by Holly Batterman for her first quilt challenge with Quilts on the Wall. This stunning quilt was machine appliqued and quilted. It was finished off with tulle and crystal embellishments.

Mary Branca made this Designer Block of the Month 2022 with her Zoom Friendship Group. They met monthly to stay on track.

Palm Springs is the name of this quilt made by Tom Stevens using the Atomic Starburst pattern. He thought it would be perfect for his condominium in Palm Springs. Tom painstakingly custom quilted this quilt with his long arm quilting machine. Although it took many hours to quilt, he is happy with the result!

## Show and Tell

Anna Lee purchased this finished quilt top, the backing and binding at the last Little Red Hen. All she had to do was get it quilted and bind it. What a lucky find!

Dorothy Bullard made this Stolen Kisses quilt with a free pattern she acquired at Little Red Hen. She says thank you to the person who donated it.

Helene Born and her sister Trudy Teshima made this Anna Maria Horner quilt together. Trudy did the piecing and Helene machine quilted it.

## Show and Tell

Helene Born used a collection of fabrics that she had on hand to make this quilt titled Father's Day. Helene used the Windmill pattern.

Trudy Cleveland's Made in the USA was made from an Edyta Sitar pattern and fabrics. She started it last year and finished it in time for this 4th of July.

Sonia Nelson also made a Made in the USA mini quilt. This was from the Laundry Basket Quilt Club.

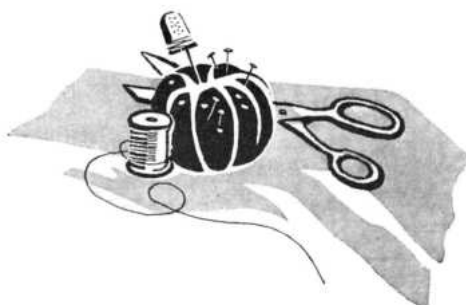

## Show and Tell

Sonia also shared her finished embroidered heart shape pillow started in a workshop earlier this year at our guild.

Joanne Florence shared a quilt finished by the A Team Friendship Group. You could own this beautiful quilt because it will be auctioned off at our September 2024 Auction.

# Philanthropy

*By Mary Howland*

Hello to All,

Summer is here whether we're ready for it or not. Let's think of some things to enjoy this month.

- A popsicle
- A slice of cold, juicy watermelon
- A tall glass of iced tea with tinkling ice cubes
- A scoop of gelato or ice cream
- Shaved ice
- Snowflakes

SUMMER  
VIBES

Ok - where did that come from? Well, snowflakes are cool and are a good lead-in to talking about holiday placemats. This year we'll need 300 holiday placemats - think Christmas, Chanukah, Kwanza, or winter. Pick up one or more of our placemat kits, sew them up, and return to a guild meeting or Sew Day.

Placemats can be made from your stash, too. Pull some fabric or start with an orphan block and sew until your finished placemat measures 12" x 18" as this size works best for the recipients. Thank you to those members who have been making placemats each month.

**Our next Sew Day is Wednesday, August 21st** from 10a - 2p at Orange Quilt Bee. Future Sew Days are the third Wednesday of the month. Please join us or stop in.

- September 18th
- October 16th
- November 20th

We hope you stopped by the philanthropy table in July and found some **Fat Quarters** to take home with you. At \$1 each or 6 for \$5, they were a great deal. We collected \$101 from this sale. This money was given to the treasurer and will be listed as income for the guild. **If you missed the FQ sale, don't worry - we'll be bringing more to the August and September guild meetings.**

We are in need of adult-themed lap-sized quilts. Yes, you've heard/read this request before. Many members donate quilts appropriate in size and theme for children but not as many for adults. If you know of an easy, simple to piece pattern please tell us as we'd like to make up kits. We have members who like to contribute by sewing a quilt top each month.

If you'd like to be part of the philanthropy planning team, please contact Jeanne Stone. You might like to plan or make kits or perhaps there's another idea you have. Jeanne will provide more information and feedback. We'd love to increase the size of the team.

Thank you for reading all of this article. More importantly - thank you, thank you, thank you for all YOU do so we can support so many worthy organizations in our community.

Stay cool, safe, and sew on this month!

Mary Howland
